#### HOURS WORKED

Hours worked shall include all time actually spent in the service of the County as defined in the Fair Labor Standards Act (FLSA) and its regulations.

#### OVERTIME APPLICATION

Overtime, as defined by this policy, shall apply to all employees eligible for overtime compensation under the FLSA, except for law enforcement overtime in the Sheriff's Office operates under the 207K exemption.

For covered law enforcement employees, (i.e. deputies), Val Verde County Sheriff's Office will count any and all paid leave status (i.e. vacation, sick, comp. time, holidays) towards the 80 hours worked for each pay period.

#### OVERTIME DEFINITION

Except for law enforcement under the 207K exemption, Overtime shall include all time actually worked for the County in excess of 40 hours in any work week. All employees who work a 37.5 hour work week, will be compensated for hours worked between 37.5 and 40 hours at their hourly rate of pay (if funds are available) or compensatory time at 1 times actual hours worked.

For covered law enforcement employees (i.e. deputies), Val Verde County has established a work period of 14 days and 80 hours. After employees work 80 hours they will receive either pay (if funds are available) or compensatory time at time and a half their regular rate.

Paid leave shall not be counted in determining if overtime has been worked in any workweek.

With the exception of all other Val Verde County Departments, the Sheriff's Department will count any and all paid status leave (i.e., vacation, holiday, sick, comp. time) towards the 80 hours worked for each pay period.

Except in emergency situations, an employee shall be required to have authorization from his/her supervisor before working overtime.

### 3.04 COMPENSATORY TIME

If and when an employee is promoted from a "non-exempt" status position to an "exempt" status, the compensatory time will either be paid by the county or compensatory time may be used, or a combination of the two, at the Courts discretion.

When an employee has reached the maximum accrual of compensatory time, any additional overtime worked shall be compensated at a rate of one and one-half (1 ½) the employee's regular rate of pay until compensatory time has been used to bring the balance below the maximum.

**USE OF COMPENSATORY TIME**

Employees shall be allowed to use earned compensatory time within a reasonable period after it is requested; provided that the employee's absence will not place an undue hardship on the operations of the department in which the employee works.

Compensatory time may be used for any purpose desired by the employee.

The County shall have the right to require employees to use earned compensatory time at the convenience of the County.

**TERMINATION**

If an employee terminates employment, for any reason, prior to using all earned FLSA compensatory time, he/she shall be paid for all unused compensatory time in accordance with the requirements of the FLSA.
