- (1) "WAM Days" is the mean average of the periods of time remaining until the securities held in TexPool (a) are scheduled to be repaid, (b) would be repaid upon a demand by TexPool, or (c) are scheduled to have their interest rate readjusted to reflect current market rates. Securities with adjustable rates payable upon demand are treated as maturing on the earlier of the two dates set forth in (b) and (c) if their scheduled maturity is 397 days or less; and the later of the two dates set forth in (b) and (c) if their scheduled maturity is more than 397 days. The mean is weighted based on the percentage of the amortized cost of the portfolio invested in each period.
- (2) "WAM Days" is calculated in the same manner as the described in footnote 1, but is based solely on the periods of time remaining until the securities held in TexPool (a) are scheduled to be repaid or (b) would be repaid upon a demand by TexPool, without reference to when interest rates of securities within TexPool are scheduled to be readjusted.
- (3) All current yields for TexPool Prime, for each date, reflect a waiver of some of all management fees.

Re: **Val Verde County's 2019/2020 TxCDBG Community Development Fund
Parks & Recreation Improvements - Alcoa Baseball Field Project**

Dear Reviewer:

Val Verde County recently applied for the 2019/2020 TxCDBG Community Development Fund through the Texas Department of Agriculture. The request for funds in the amount of \$450,000.00 identifies Parks & Recreational Improvements to the Alcoa Baseball Field located on Frontera Road in Val Verde County, GPS coordinates 29.349819, -100.936712. Val Verde County is conducting a review of this project to comply with Section 106 of the National Historic Preservation Act.

The Alcoa Baseball Field located on Frontera Road is outdated and lacks sufficient lighting, and other necessary appurtenances thus contributing as a threat to the public health and safety of all who use the Alcoa Baseball Field.

It is the intent of Val Verde County to install men's and women's restrooms, improved lighting, an irrigation system, fencing, parking, expand the fields by installing approximately 9,000 cubic yards of fill, plant new sod, drinking fountains, dugouts, and all necessary appurtenances.

Val Verde County used the Low to Moderate Income area benefit documented by the most recent 2018 TxCDBG Survey Questionnaires of which 585 of the 624 beneficiaries or 93.75 percent of the population is considered low to moderate income meeting the "National Program Objective.

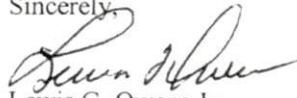

It has been determined to the best of our knowledge that this proposed project will not affect any known local, state, or national, historic, architectural or archaeological resource presently listed, or potentially eligible for listing, in the National Register of Historical Places, or in any state or local registry. We are respectfully requesting that the Tonkawa Tribe of Oklahoma to review the referenced project site with regards to possible impact on historically significant findings and to concur that no historic properties will be affected and the project may proceed.

Included for your review are the following attachments:

Judge Owens

Working with the Friends of La Loma Cemetery they are trying to raise an estimated \$4,000 to buy materials to make and install rebar crosses on approximately 200 unmarked graves. I feel this would help in restoring this badly vandalized property. Any help you can provide would be very welcome.

Consider and Act upon THE TARGET RANGE GRANT PROGRAM.

#20

THE TARGET RANGE GRANT PROGRAM supports the development of safe, accessible, public shooting facilities that align with TPWD hunter education activities and programs. Program benefits include partnership opportunities within the shooting range community, recreational opportunities for shooting sports, and the addition of regional locations for hunters to practice their skills. The grant provides funding to tax-exempt organizations, commercial entities, and local municipalities for target range development projects which engage the public in TPWD mission-oriented outdoor recreation, conservation, and environmental education activities. **Deadline to Apply has not been announced**

On May 10, 2019 with the passage of the Target Practice and Marksmanship Training Support Act, Pub. L. 116-17 (16 U.S.C. 669) 'to facilitate constructing public target ranges'; The Program provides 90% matching grants on a reimbursement basis to eligible applicants. Project minimum/ maximum amounts between \$150K to \$1.5M for a two-year project.

Funds are derived from the Wildlife Restoration Program and funded by the Pitman-Robertson Act; a dedicated excise sales tax collected on manufacturers of certain sporting goods.

Consider and Act upon The RECREATIONAL TRAILS PROGRAM

The **Recreational Trails Program** provides funding for both motorized and non-motorized recreational trail projects. The reimbursable grants can be up to 80% of project cost with a maximum of \$200,000 for non-motorized trail grants and a maximum award of \$400,000 for motorized (off-highway vehicle) trail grants. Eligible projects include the construction of new recreational trails, improvement of existing trails, development of trailheads or trailside facilities, and to acquire trail corridors.
